Cornalees Community Challenge

All scouts have a pressing need to do some community service as part of their Community Challenge and their Chief Scout Gold Award badges. We are delighted to announce that we have arranged to spend 2 days helping the Clyde Muirshiel wardens at Cornalees to clear bracken ready for the spring and summer seasons. This will take place on Saturday and Sunday 20th and 21st of February from 10am to 3pm each day.

Each scout needs to give a total of 12hours of service which we can mostly cover over the 2 days. All scouts should attend for at least one of the days – even if you already have the community challenge. Those who have not built up much community service time yet (eg. through helping at Cubs and Beavers) should try to come for both days.

Please wear suitable clothing for outdoors work and be prepared for rain. The rangers will supply any tools/equipment we need. **Bring a Packed Lunch**

Scouts should meet at the Cornalees Centre Hall at 10am on each day and can be collected at 3pm.

Please return the permission slip below by Fri 12th February
