IT Badge

Following the success of our first session, we have now more training and assessment days for the IT badge thanks to the people at Inverkip Community Enterprise who are kindly providing us with a venue and facilities again.

We are able to take 6 scouts at a time. The session will run from 10am to 4pm. We have arranged to run the event 3 times so that we can allow a total of 18 scouts to take part. Each session – on the dates below - will take place at Inverkip Pavilion. Each scout need only attend one of these sessions – not all.

Date Options: 15th Nov, 22nd Nov, 27th Nov

Scouts should have a basic knowledge of computers – ie. be able to write a document containing pictures and save it, using Microsoft Word, PowerPoint or similar. During the day you will also learn how to edit and write articles on the Scout website.

There is **no cost** for this event. Please bring a packed lunch.

Scouts should meet at Inverkip Pavilion (at the swing park on Main St) at 10am. No uniform is required.
