Minibus Expedition

We are delighted to announce our main camping event for 2009 will be a minibus expedition travelling in a circuit of the highlands taking in Fort William and Aviemore along the way. We will be taking it in turns to walk a hill or try out a new activity on alternate days through the week of **Sat 25th July – Sat 1st August**.

- Activities in the pipeline are kayaking, climbing/abseiling, caving, visits to town, clay pigeon shooting and a visit to the Landmark Centre near Aviemore. We'll be using hike tents for the duration and will be camping 'rough' more often than not (ie. using the camping areas best known by Scouts and outdoor types such as Butter Bridge and Victoria Bridge).

This will be a unique chance to see a wide area of Scotland, and to enjoy the best of what it has to offer. The cost is £130. We have limited places for the trip, so please return your permission slip below with a deposit of £30 by 20th February.

We will issue more information and collect more detailed emergency information nearer the time, however it would be useful for planning purposes if you can provide any medical information we should be aware of at this time.

The trip will be action packed, but will be suitable for all ages, no scout is too young.
