Winter Hillwalk Feb '10

Our next Winter Hillwalk this year will be on Sunday 14th February. This is most likely to be in the Loch Lomond area or the Glencoe area depending on snow conditions.

Due to limited space, we will give priority to scouts who we did not manage to fit in to the last trip. Please ensure you have strong weather proof walking boots, ski goggles and good quality waterproofs (ie. not a light cagoule). If in doubt, please ask a leader – we are normally able to get spares. A full winter hillwalking kit list is available in the Scout Forms section of the website. Please make sure you print it and **use it as a checklist when packing**. Note that many boots are available that claim to be waterproof but aren't sufficient. Please see our **boot buying guide** in the same web page if you are in any doubt that you boots are good enough.

Scouts should meet at Inverkip Church Hall at 7am on Sunday. The cost is £8 to cover transport. We will return to the hall around 6-8pm depending on conditions.

Please return the permission slip below by **Wed 10th February**. Bring your packed rucksack including boots, jacket and gloves on the **scout night before the walk**.
